# IF ALL THE WORLD'S A STAGE...

## LET'S GIVE OURS AN OCEAN VIEW

Our imagination and innovation has no boundaries. For us a ship isn't just a ship, but rather, a collection of amazing experiences that challenge all limitations. *Oasis of the Seas*<sup>SM</sup> and *Allure of the Seas*<sup>SM</sup> exemplify how we continue to break the mold time and again – and how we undertake new endeavors. Quickly, the impossible becomes possible and the unimaginable becomes real; entertainment areas become neighborhoods and suites become lofts. We are Royal Caribbean International® and we build incredible.

WE BUILD NATURE

## CENTRAL PARK<sup>SM</sup>

Introducing the first neighborhood concept – Central Park is a revolutionary public space combining nature with nautical.

Elegant and lively, Central Park's piazza is the ship's town square, which evolves from a tranquil and peaceful atmosphere during the day to a gathering space for dining, entertainment, and street performances in the evening.

Central Park features several alfresco dining options and more than 300 staterooms, which rise six decks to overlook the Park.

Quiet reading corners, specimen gardens and other hidden surprises await guests among the winding paths.

Bringing the outdoors in, Central Park offers guests a tranquil outdoor space open to the sky, like never seen before.
